G28. Black people have many different shades of skin color. Thinking about the present, does your skin color make any difference in the way White people treat you?

1. YES   5. NO
G29. How about the way Black people treat you? Do you think your skin color makes a difference?

1. YES   5. NO

G30. I'm going to read you some statements with only two choices. For each, which of the two choices do you think is more important for Black people to do?

a. To have power and improve their position in the United States,
   - 1. One, Black people should work together as a group.
   - or
   - 2. Two, each Black person should work to get ahead on his or her own.

b. To gain equal rights in this country, Black people should
   - 1. One, work through the present system by voting and being active in politics.
   - or
   - 2. Two, use demonstrations, boycotts, and other forms of group protest.

G31. Now I'm going to read you a few more statements with only two possible choices. For each, tell me which you think is more true.

a. In the United States, if Black people don't do well in life, it is because
   - 1. One, they don't work hard to get ahead.
   - or
   - 2. Two, they are kept back because of their race.

b. In this country, if Black people do not get a good education or job, it is because
   - 1. One, they haven't had the same chances as Whites in this country.
   - or
   - 2. Two, they have no one to blame but themselves.
G32. Do you think sex discrimination is a real problem for Black and White women in this country?

1. YES

5. NO → GO TO G34

G33. What do you think is the best way for Black women to handle problems of sex discrimination? Do you think Black women should work together as a group to demand their rights or that every Black woman should work hard and make it on her own?
